What You Need:

A mobile device capable of sending text messages.

The barcode number from your Library card (ten digits, Dxxxxxxxxx), and the PIN for your library account.

Signing Up:

1. Open your Messaging app and create a new Text Message to **309-326-7110**.

2. Add the following text to your message: **SIGNUP+PatronBarcode+PIN**

   The Patron Barcode is your library card # starting with D.

   The PIN is the password used for RSAcat. Ask your library if you don't know it.

   Example: SIGNUP+D008675309+ab12

3. Add **309-326-7110** to your contact list as Shoutbomb or Library Texts so you recognize the messages in the future.

Alternatively, you can just text **SIGNUP** to the number above and Shoutbomb will send additional texts for your card # and PIN to finish the signup process.

Once your Shoutbomb registration is complete, you will automatically get text notices around 9am about holds, items due in the next 3 days, overdues and more. Texts are only sent when activity in your library account triggers them.
