# CREATED EQUAL:

## America's Civil Rights Struggle

This initiative of the National Endowment for the Humanities uses the power of documentary films to encourage community discussion of America's civil rights history by:

- telling the stories of individuals,
- creating a deeper understanding of the ways Civil Rights have been obtained, and
- helping people understand Civil Rights history as central to the American story.

All programs are free of charge and open to the public. More information can be found at [lmeibrary.org](http://lmeibrary.org) or by visiting [www.neh.gov/created-equal](http://www.neh.gov/created-equal)
