1st-5th Summer of Discovery—2019

(or home school equivalent Fall 2019)

HERE'S HOW IT WORKS:

- Registration (online & in person) opens May 28th. Read & track your reading minutes starting May 28th until July 8th.
- Every time you have read 2 hours check-in at the library to pick a prize and donate a book.
- Read 8 hours and turn your log in before 8p, Mon, July 8th to earn a prize pack!

**Our end of Summer Reading party will be Thu, July 11th,
10am in Stevens Square with M&K Inflatables!**

FAQ's

Q: What if my 1st grader (or other special circumstance) can't read by himself yet?

A: New first graders (or other special circumstance) who cannot read by themselves may have the books read to them.

Q: All my children read the same book. Who gets to count it?

A: If multiple readers from the same family read the same book or listen to the same audio book, all readers/listeners may count it.

Q: Do we have to check out all our summer reading materials from the library?

A: No. While we prefer you check out materials from our library, we understand this may not always be convenient so it is not required.

Q: My 1st-5th child will get a prize pack at the end of Summer Reading party. What about my other children?

A: We will only have enough prize packs for the 1st-5th children who completed the summer program.

If you have any other questions please ask the library staff.
